

# COMIC RELIEF FUNDING IN THE UK

# 2014-2015

Between January 2014 and September 2015, Comic Relief allocated £51m to over 3,100 projects in every nation and every region. We are one of the UK's biggest independent funders to charities and local groups across the UK. We work with others to make a difference to the lives of people in some of the most disadvantaged communities.

UK: £51m

## By issue

Comic Relief supports a range of work across the UK. We fund those with the skills, talent and vision to enable people to turn their lives around and build a better future. Much of our work focuses on championing the needs of those facing mental health problems, supporting young people leading tough lives and building a safer future for those affected by issues such as domestic violence and extreme poverty.
